OVERVIEW

This is an appeal brought by Salloum Bakery Ltd., under section 112 of the *Employment Standards Act*, from a Determination issued by a delegate of the Director of Employment Standards on March 13th, 1997.

The appeal was heard at the Tribunal's offices in Vancouver, B.C. on June 12th, 1997. At my suggestion, the parties entered into some further discussions regarding the matters raised in the appeal. At the conclusion of those discussions I was advised that Salloum Bakery Ltd. had agreed (on certain terms and conditions) to withdraw its appeal of the Determination and that Mr. Khan had agreed to withdraw his complaint against his former employer.

ORDER

By consent of the parties, this appeal is hereby withdrawn.
