CORRIGENDUM

On July 24, 2000, I issued a decision in the matter of Greg Mayburry and the Director of Employment Standards. In that decision, I Ordered that the Determination, dated March 24, 2000, be sent back to the delegate for recalculation of amounts owing. The delegate did not appear at the hearing, and I was unclear as to how he arrived at the amount owing based on the information included with the appeal.

In fact, it now appears that the calculation was contained on two pages, one of which was either not before me, or overlooked. Having regard to both pages, and adding the two amounts together, I find that the gross wage calculation accords with the delegate's Determination.

Consequently, the Order should read that the Determination be confirmed.
