FILE No.: 2002/7

DATE OF DECISION: August 7, 2002

DECISION

By Order dated April 16, 2002, amended June 17, 2002, I referred this case back to the Director to receive confirmation of amounts paid by the employer to the employer and to provide a recalculation of the amounts owing. By report received July 8, 2002, the Director provided recalculated amounts as follows:

Charity Harrington:

\$546.00 wages, less \$290.47 (gross) received plus \$10.53 interest	
Total owing	\$266.06

Sophelia Lainchbury

\$757.04 wages, less \$185.24 (gross) received plus \$22.43 interest	
Total owing	\$594.22

I did not receive the evidence to confirm the amounts paid. However, since the parties have not provided submissions indicating any problem with the Director's calculations, I will accept them as accurate.
