**CORRIGENDUM**

We issued Decision BC EST # D442/00 on November 9, 2000. In that Decision there was an oversight in the wording of the "Order" on page eight of the Decision. The word "Determination" was used where we should have used the words "Original Decision" as we did earlier in the text. A revised version of page eight is attached. Please destroy the previous version of page eight and replace it with this revised version.

The Decision is corrected accordingly.
