OVERVIEW

This is an appeal by Randy Moore Operating As RM Forestry Contracting (“RM Forestry”) pursuant to Section 112 of the *Employment Standards Act* (the “*Act*”) against a Determination issued by a delegate of the Director of Employment Standards on April 4, 1997.

The Determination found that RM Forestry contravened Section 17 & 27 of the *Act* and ordered RM Forestry to pay compensation to Dave Bertrand in the amount of \$2,217.56.

RM Forestry filed an appeal dated April 25, 1997 of the Director’s Determination.

A hearing was held on October 21, 1997.

Before the formal hearing commenced I explored the possibility of the parties reaching a settlement.

Following considerable discussion and the helpful assistance of the delegate, the matter was resolved satisfactorily.

RM Forestry’s appeal of the Determination is withdrawn and the Determination is cancelled.
